Where do I even begin when I have you on such a deserving pedestal? So so SO many good qualities. Let me try to sum it up as briefly yet effectively as possible, while still doing it justice. Mom, you are truly an amazing human being. Really, smile, it's ok. You 1000% deserve that title.

I thank God every single day he led me to you. I really can't think of a time in my day that I don't stop and think about how you possibly did it all as you raised me. You never once led on any struggles that you had and were a true sign of a strong woman. I really did think I had it all as a child, and when I look back I smile in all that you gave up to make sure I did, and most importantly, in a positive and constructive way.

I give you so much credit for being where you are today. Every hurdle you faced, you cleared it with what seemed such ease! Everything from your hard work, determination, loyalty, beauty and of course your sense of humor makes you truly one of a kind. Kudos to you Mom. It's really amazing to see our journey through life together. I love you and all that you have gone through to be exactly where you are today. You deserve every ounce of joy you have standing where you are today. Continue to live life in a big way. I've enjoyed your story and I can't wait to continue to see your success!

Your Daughter,

Amber
