God's Magic Eraser

Why is my son, Eli, smiling with expo marker on the wall and three doors? When I found this my reaction was we need try to clean this before Daddy gets home because he will be very sad. With worry, Eli ran to the window and said, "When I see daddy I will tell you, 'Hurry he is coming!'" My heart was broken. God does not ask us to live in fear. I remembered we had magic erasers. I got one and asked Eli to help me. I told him Jesus does this with our sins, or mistakes... He erases them like they were never there! He proceeded with excitement to help clean his mistake. Leaving the pen out for our 1.5-year-old to make murals... with joy we shared with Dad our redemption story!!! Thank you for the using the small moments to teach. Thank you for redemption. Thank you for joy!
